# Little Steps

## PreSchool Dance Academy

**SPECIALIZING IN PRESCHOOL DANCE CURRICULUM**

The Little Steps PreSchool Dance Academy was established by Kelli Dickens. Her goal as a Dance Educator and a caring parent is to bring music, fun and dance into the lives of young children. Your rising star will explore the world of creativity through movement, music and dance, imaginative play and emotional expression. They will develop a sense of self-respect, discipline, leadership and poise. These attributes provide a solid foundation for your child's future endeavors.

Ms. Kelli invites you and your child to experience this unique program designed exclusively for children ages 2 ½ to 5.

**Hippity Hop** is a class that your little one is sure to love. We will be using child appropriate music while we add tumbling and also putting a little hip to their hop.

**Dancewear and Shoes Requirements**

Required dance shoes must be purchased through the studio. This will assure the student of having the proper color and style. All students must have a dance bag with them in class at all times. This will prevent lost shoes and other personal items.

**15 months – 2 ½ years old**
